Release of "Directory Information"

"Regarding student records, federal law requires that 'directory information' on my child be released by the District to anyone who requests it unless I object in writing to the release of this information. This includes release of directory information to military recruiters and post-secondary institutions. This objection must be filed within ten school days of the time this handbook was given to my child. Directory information ordinarily includes the student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs, and dates of attendance, awards received in school, and most recent previous school attended.

In exercising my right to limit release of this information, I have completed the Student Directory Information Notification and returned it to the school.
